Community Contract

Preservation of Positive Sharing in the Camp Ouareau Community

Dear members and families of the Camp Ouareau Community,

Over the past 80 years Camp Ouareau has been and continues to be the home of many staff, volunteers and clients. Camp Ouareau takes great pride in making our home your home, and we are excited and thrilled to have you be a part of our community.

It is our philosophy that a community that fosters respect for one's environment, others and oneself helps to create a milieu of trust, encouragement and physical/emotional safety. We feel that expressing our expectations to all community members creates a vessel that helps individuals to be actively involved in the positive sharing of our community. The Community Contract describes our expectations for all visitors. Please read it carefully. Thank you for your active participation in preserving positive sharing in a community. **This contract is written for our 2004 spring program.**
